

Ecuador!

March 3rd – March 12th
WSU SoM M2 Spring Break

...and the Galapagos Islands!

Who?

- You! If you'd like!!!
- 20 (ish) M2's
- 1 – 2 Physicians
- 2 M4's Years

WHSO

- This year the WHSO trip to Ecuador will be planned by Carrie Kubiak and will be coordinated with the local community in the coastal villages of Agua Blanca and Rio Blanca near the beach town of Puerto Lopez.
- Students will have the opportunity to set-up and provide local health care along villages on the coast where it is difficult for residents to visit far away Ecuadorian health clinics.
- Students will stay in hostels, eat at local eateries, and have the opportunities to visit local beaches. There will also be days set aside at the end of the trip to go sightseeing and experience Guayaquil and the Galapagos Islands.
